

a**indirect pathway****b****direct pathway****c**

example session 1

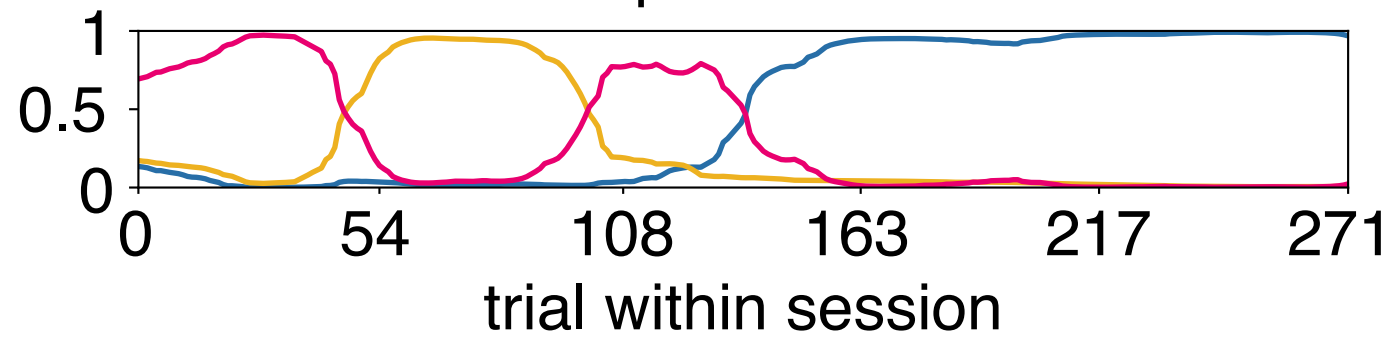

— state 1 — state 2 — state 3

example session 2

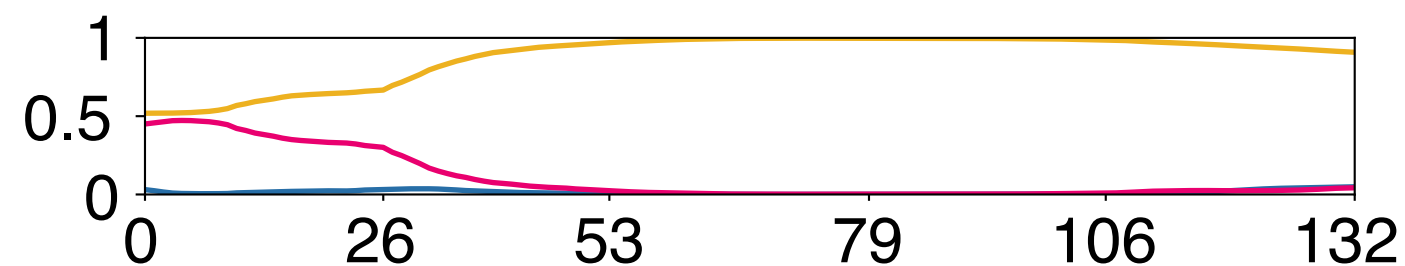

example session 3

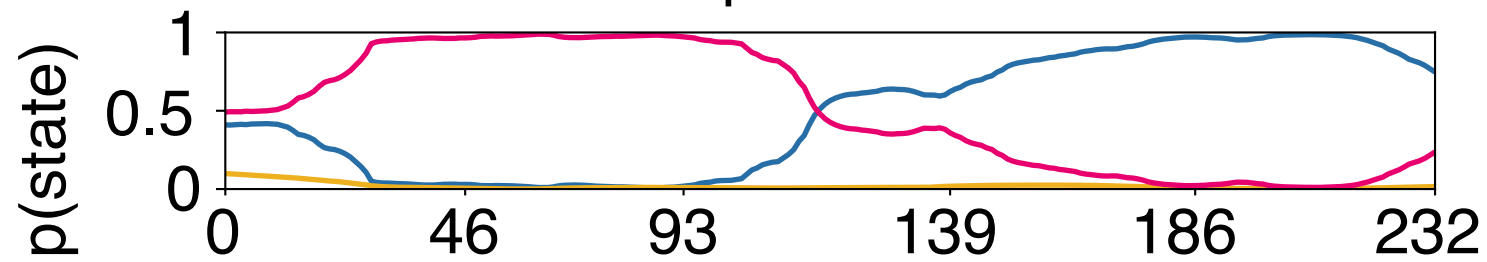

**d**

example session 1

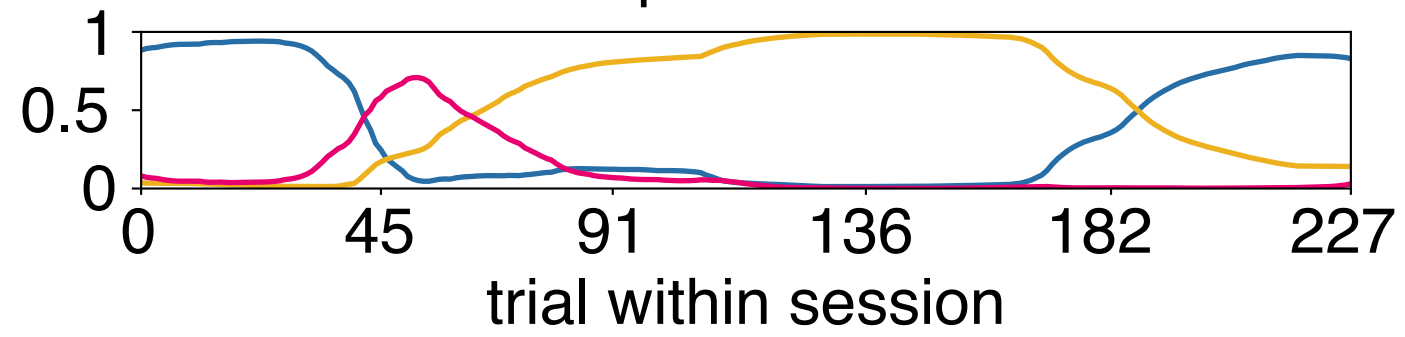

— state 1 — state 2 — state 3

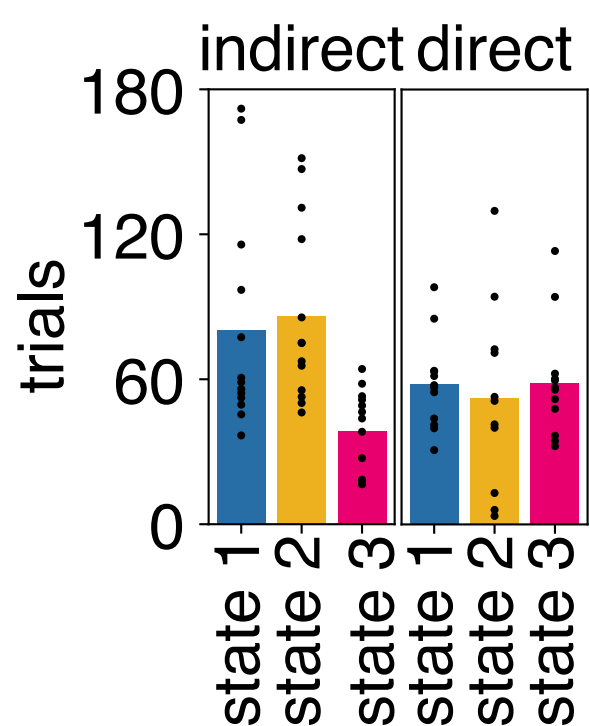

example session 2

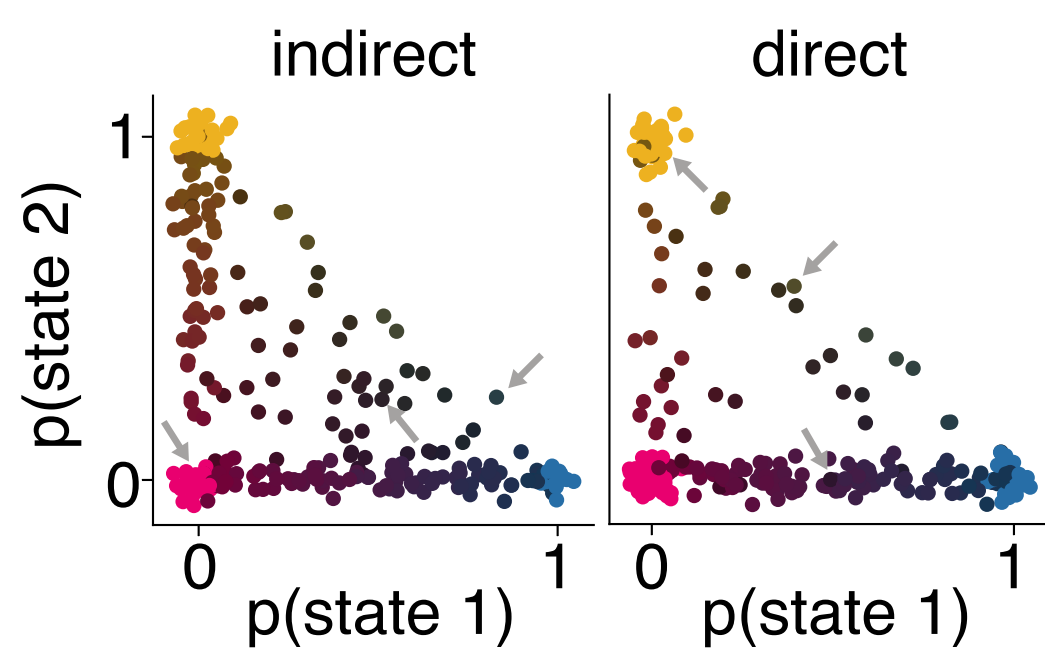

example session 3

**e**

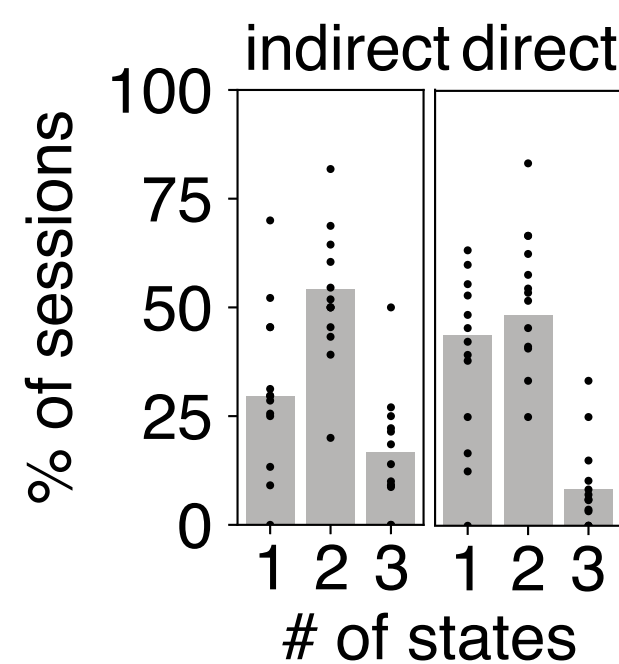

average dwell time

**f**

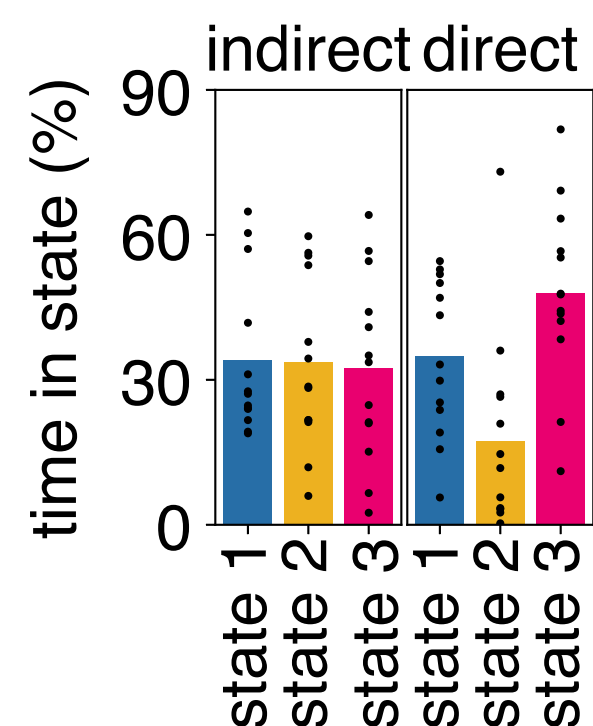

fraction of trials per state

**g**

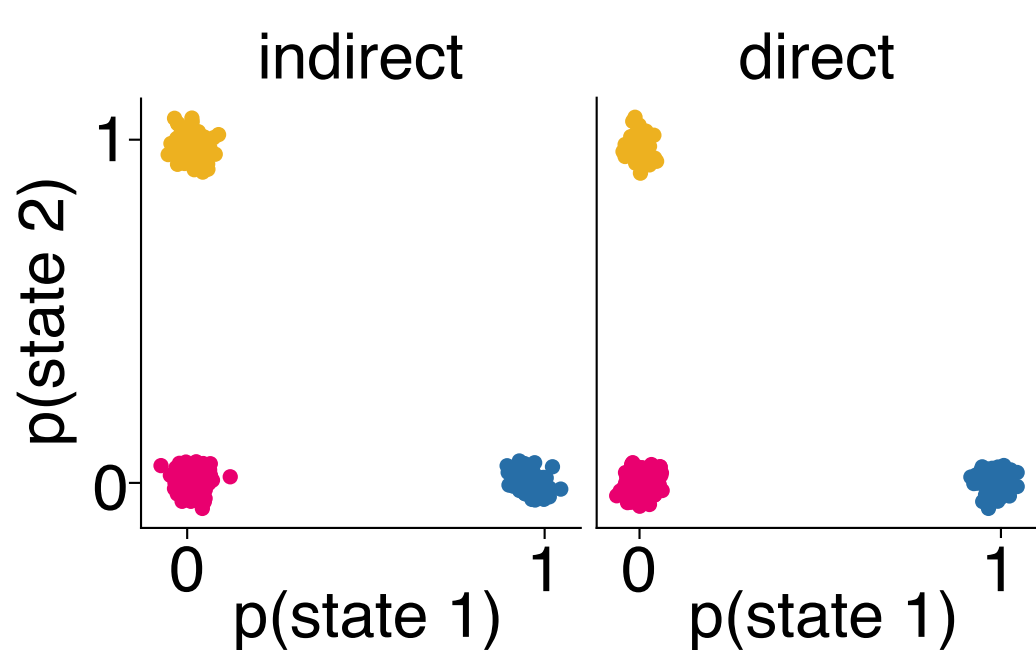

states per session

**h**

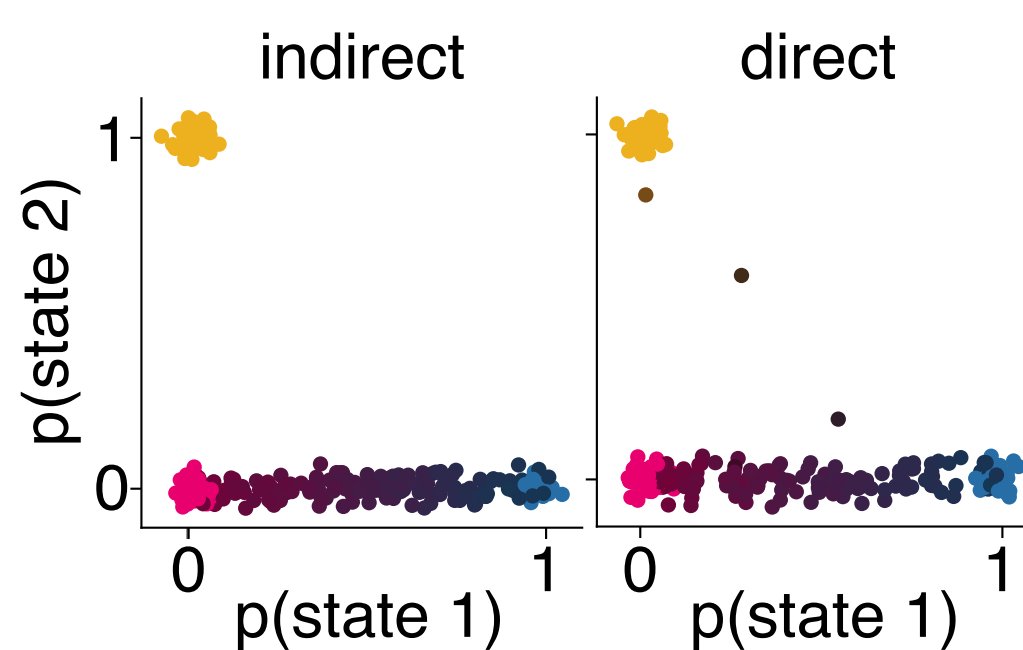

state occupancies

**i**

no transitions

**j**

no transitions in/out of state 2

**k**
